### **Conscious Living Business**

Past Conscious Living Radio Show Sponsor, Luminati Egyptian Travel, is automatically enrolling all their travelers as members to EarthCURE! In addition to experiencing a wonderful journey to Egypt, travelers now know that they are making a difference. Thank you President of Luminati, Shelia Reed for a fantastic example of Conscious Business!

### **Doing their part - we can do ours too!**

BIOTA, the first company to use a biodegradable substitute for plastic bottles is making a huge difference. And so can you! Buy BIOTA any chance you can over petroleum-based plastic water bottles and enjoy their fresh, spring water at the same time. BIOTA is available at Whole Foods, Kroger's in California and many health food stores on the west coast. And if your favorite store doesn't carry BIOTA, request it! It is an easy way to make a difference. See their web site for details at [www.biotaspringwater.com](http://www.biotaspringwater.com).

### **Grant Proposals being submitted**

EarthCURE is currently selecting projects under ongoing and phase projects. Funding from corporations and like-minded organizations are being requested. However, EarthCURE can always use your help. Every contribution goes a long way in making these positive changes. [\*Join our membership or sponsorships\*](#) to assist in making a difference.

### **Newsletter Futher Delayed**

Our apologies. Until the Conscious Living Show is back on the air, we intend on updating the website with detailed project information more often. Check out the changes to our links page and read about some of our current projects.
