

MARCH 2006 What's New

EarthCURE will soon be featured by Shop For Charity Day Organization

Watch for a featured story in the next few months. All of us at EarthCURE wish to thank all of our supporters who have shopped through SFCO. The proceeds go toward maintaining the EarthCURE Organization and active projects.

Jazz for Peace™ Benefit Concerts are being scheduled for SPRING 2007.

Benefit concerts with internationally known jazz musicians from the Jazz for Peace Organization are being scheduled for Spring 2007. If interested in having a concert near you, [contact us](#).

Want to reach an International Audience? Be a sponsor on the fastest growing media, Internet Talk Radio

EarthCURE is looking for a sponsor to be able to put the Conscious Living Show back on the Internet airways. Previously aired via Voice America, our show for a new program had the fastest growing audience approaching 1 million with eleven countries listening! Take advantage of the wide spread attention to your business by becoming our sponsor and have the added knowing that you are making a difference.

A tremendous thank you goes out to our past Program Sponsor, www.luminati.net/!

EarthCURE lends a hand to another nonprofit

EarthCURE Officer & Artist, Sue Denniston, assisted a nonprofit organization by painting chairs for the Susan's Legacy Organization. Paints and supplies were donated by our organization. Ms. Denniston also painted a chair from associate firm, [Luminati Egyptian Travel](#). Both of her chairs were favorites with the crowd and sold at top dollar. Read more about the worthy cause that was benefited and see pictures of the chairs by [clicking here](#).

Conscious Sustainability Course Offered

Samone Myers, Director of EarthCURE is an instructor of risk management and conscious sustainability at the University in Toulouse, France. Businesses, government and universities need to learn how to apply sustainable practices. For a unique perspective on sustainability, schedule an in-house course.
