

JANUARY 2007 What's New

Sustainability Seminar Offered

The Director of EarthCURE is offering a University level course on Sustainability to groups of twenty or more. So if you are a part of a University's Sustainable Department or MBA Program, a government agency interested in learning more about becoming more sustainable or a corporation needing to establish Sustainable Development Measures and Indicators, [click here](#) for more details.

Projects in the Spotlight

EarthCURE is proud to be involved with many different projects. In the spotlight are two important and timely projects promoting health benefits and peace. The first is the Labyrinth Research Project and the other is in conjunction with the Uganda Peace Foundation Initiative. Read about the important issues surrounding both, project details and solutions. [Click here](#) for details.

Sponsorships Needed!

Like what we are doing? Then we remind you that our projects cannot move forward without your financial support! [Click here](#) to find out more about our sponsorship categories or join our membership for as little as \$35.

Raising Funding through your Purchases

A wonderful alternative to giving money outright to our organization is to doing your regular shopping through our branded mall at [Shop For Charity Day](#). EarthCURE will be featured on the home page of Shop for Charity Day web site in March. Read an overview on our organization and highlighted projects on their home page at www.shopforcharityday.com

Seeking Projects

EarthCURE is in the process of soliciting projects that fit under our mission and are in need of funding. Whether your project is already underway or just getting started, [click here](#) (*.PDF file) to see the minimum needed for EarthCURE to consider your project. We believe in cooperation rather than working in separation. We act as a pass-through with minimal project management and educational requirements. Interested parties, please submit an application.
