Don't Miss our On Line Newsletter

Our on line newsletter, IN THE NOW has several interesting articles. Articles are placed under sections spelling out **CURE**: **C**onscious Sustainability, **U**nified Community, **R**esearch from the Heart or **E**ducating with Humor. This quarter's issue is not to be missed! [Click here](#) to be taken to the newsletter.

Working as an umbrella organization to help others more forward with their research, we are advocates of disseminating information freely to the public. [Contact us](#) to have your article considered for our next newsletter.

Sustainability Seminar Offers a Conscious Perspective

The Director of EarthCURE is offering a University level course on Sustainability to groups of twenty-five or less. So if you are a part of a University's Sustainable Department or MBA Program, a government agency interested in learning more about becoming more sustainable in a conscious manner, or a corporation needing to establish innovative Sustainable Development Measures and Indicators, [click here](#) for details.

Collaborative Project in the Making

EarthCURE is proud to be involved with a collaborative project with the Uganda Peace Foundation Initiative. If you are interested in joining us in furthering research in Uganda, read about the project details and solutions in our current newsletter under Unified Community the section. Want to know how large your ecological footprint is?

Take the "Eco-footprint" Quiz at www.earthday.net/footprint/index.asp. It is an easy way to show you categories that can be worked on to reduce your contributions to CO2 and excessive energy usage.

Membership & Sponsorships help us further Research

Like what we are doing? Remember that EarthCURE acts as an umbrella for others to advance their research into a development stage. So you are not just helping us, but many others. [Click here](#) to find out more about our sponsorship categories or join our membership for as little as \$35.

Help us reach our goal of increasing funding through Shop for Charity Day!

An alternative to giving us money is doing your everyday purchases through our brand mall at [Shop For Charity Day](#). Shop using over 1000 stores – many favorites – and a percentage of the proceeds go to our organization. Last year we raised hundreds of dollars through our readers' purchases. Our goal is to raise \$1000 or more.
